

Jo: "And Clarissa raced from the forest, raced to the moors, where she called, 'I have returned, Braxton! I will free the moors of your tyranny! Fight me!'"

Braxton: "I always knew you'd come back to me. They always do!"

Jo: "Clarissa thrusts. She parries. She backs up Braxton, pins him against the tree. She leaps up on a craggy rock, her sword swishing and swooshing."

Jo (cont.):

"Never has she been so determined. She is on fire!"

Jo (cont.): "Pity she hadn't taken dueling lessons. Out of nowhere – who should appear – the long forgotten Rodrigo!"

Rodrigo 2: "This is your end, villain! I've waited a lifetime to destroy you."

Braxton: "Who are you?"

Rodrigo 2: "I am your worst nightmare, Braxton I am... her sister!"

And then

Prof. Bhaer:  
"Miss March!"

Jo:
